FINANCIAL ASSIGNMENT AND AGREEMENT

1. **We always request payment at time of service**. **If appointment is missed without 24 hour notice there is a $50.00 charge.**
2. Please remember that insurance is considered a method of reimbursing the patient for fees paid to the doctor and is not a substitute for payment. Some companies pay fixed allowances for certain procedures, and others pay a percentage of the charge. It is your responsibility to pay any deductible amount, co-insurance, or any other balance not paid for by your insurance.
3. In order to control your cost of billings, we request that your charges for office visits, including deductibles & copays, be paid at the conclusion of each visit. If we are required to use Collection Bureau there is up to 18% interest.
4. I request that payment of authorized Medicare and/or insurance benefits be made on my behalf for any services furnished by me. I authorize any holder of medical information about me to be released to the Health Care Financing Administration, its agents, or any insurance carrier I may have any information needed to determine these benefits or the benefits payable for related services.
5. This assignment will remain in effect until revoked by me in writing. A photocopy of this assignment is to be considered as valid as an original. I understand that I am financially responsible for all charges whether or not paid by said insurance. I hereby authorize said assignee to release all information necessary to secure the payment.
6. I was offered a copy of Idaho Eyelid & Facial Plastic Surgery, PLLC's HIPAA Privacy Act effective date 9/23/2013.
